2. **Resumes for Re-entering the Workforce**
VGM Professional Resume
Publication: Chicago McGraw-Hill Professional, 2002.
The Elements of an Effective Resume An effective resume is composed of information that employers are most interested in knowing about a prospective job applicant. This information is conveyed by a few essential elements. The following is a list of elements that are found in most resumes—some essential, some optional. Later in this book, we will further examine the role of each of these elements in the makeup of your resume. • Honors • Activities • Certifications • Publications • Professional Memberships • Special Skills • Personal Information • References
